**CONTRACT APPROVAL**

Contract No. SP-1914

This will serve as formal authorization to proceed with a configuration for installing anti-collision lights on the articles being delivered under Contract No. SP-1914. These lights are to be installed on top and underneath the article and are to be readily detachable. For the articles already delivered you are to supply retrofit kits for field installation.

The cost of these anti-collision lights is to be charged to Contract No. SP-1914. In the event sufficient funds do not remain in SP-1914 for this work please advise in order that we may determine if funds are available to cover this additional work.

Please submit directly to Col. Brewer and the undersigned your proposal for this work.

# CONFIDENTIAL

**Dear Dan:**

During a recent meeting, Lt. Colonel Brewer, [redacted] agreed upon a configuration for installing positioning lights on the articles being delivered under SP 1914. These lights are to be installed on top and underneath the article and are to be readily detachable. For those articles already delivered, Contractor is to supply retrofit kits for field installation. Accordingly, you are requested to authorize the Contractor to proceed with the above work immediately and furnish cost and delivery schedules to the WSPD as soon as practicable.
